

# Resolution for the Garvin County Republican Party of Oklahoma

WHEREAS the Federal Government has incarcerated Americans who participated in the January 6th, 2021, rally in Washington DC; a protest seeking for redress of grievances from the government as dictated and protected in the Constitution of the United States of America,

WHEREAS clear video footage and reports exist of the Capitol Police inviting rally attendees to enter inside the Capitol Building and of government agents inciting the crowd,

WHEREAS those incarcerated Americans have been forcefully and dramatically abducted, and have been afforded neither speedy nor fair trials as is evidenced by many still waiting after more than 2 years, and having been denied the ability to obtain or present evidence, or be tried by an impartial jury,

WHEREAS these same incarcerated Americans have been refused proper food, medical attention, decent facilities, bail, and visitation; including with their attorneys while being held, and instead are punished in solitary confinement and suffer unprovoked attacks by guards,

WHEREAS some who have been convicted have been sentenced to years in prison for merely walking into their own Nations Capitol without bring harm to anyone or anything, while others that clearly did commit crimes have never even been arrested or prosecuted,

WHEREAS Americans have Rights granted to them by God and enumerated in the Constitution of the United States of America,

WHEREAS the Oklahoma Republican Party supports Due Process rights and laws of the United States of America, the presumption of innocence until proven guilty, and the ability to exercise free speech and freedom of assembly,

WHEREAS many of our elected officials have confirmed Americans are being held without Due Process.

THEREFORE, BE IT RESOLVED that the Garvin County Republican Party of Oklahoma asks our National elected representatives for Oklahoma, including:

Senator James Lankford, Senator Markwayne Mullin, Representative Tom Cole to assist our fellow Americans and represent this body by:

- 1) Requiring Due Process as enumerated by the Constitution of the United States of America, as well as any other statutory requirements under the law.
- 2) Defending these Americans from the excessive force used against them.
- 3) Demanding their freedom as true law-abiding citizens.
